Registration and check-in

All users must have a Carlsbad City Library Card and read and sign an *Internet and Computer User Agreement*. Patrons' library records will reflect that they have read and signed this agreement. Patrons will use their library card to access a computer. Library cards are non-transferable. A one-hour session is standard and may be extended if no one is waiting. There is no limit on number of sessions per day.

Visitors

Visitor passes are available for those who live outside San Diego County and who will be in the area for a limited time. Passes are valid for two weeks. Visitors are required to show identification and read and sign the *Internet and Computer User Agreement*.

- Children under the age of 12 must have a parent remain with them while they use the Internet.
- Children under the age of 13 must use the terminals in the children's area.
- Teens 13 to 17 may use the adult or children's computers.
- Adults may use the children's Internet computers only if they are supervising their child in the children's area.
- Supervising adults must relinquish their computer if youth are waiting to use the Internet.
